

# Clinical Case Discussion Webinar: A Case of Nipple Pain During Lactation Due to Vasospasm

presented by

**IABLE**  
Institute for the Advancement  
of Breastfeeding &  
Lactation Education

with Instructors

**Anne Eglash MD, IBCLC, FAAP, FABM,  
and Karen Bodnar MD, IBCLC, FAAP, FABM**

**Sunday, April 2<sup>nd</sup>, 2023**

**7:00-8:15pm CST**

**This course will be conducted via webinar**

**No cost to attend – a donation is appreciated**

**Reserve Your Seat to Attend Live or Access the Recording  
Recording will be available for 1 month**

Registration: <https://lacted.org/shop/case202304>

## **Participants Will Be Able to Meet the Following Objectives**

1. Identify new strategies to evaluate and treat common and uncommon cases in breastfeeding medicine.
2. Share ideas on clinical practice in breastfeeding medicine with colleagues.
3. Share patient education handouts and clinical protocols on breastfeeding medicine topics.
4. Identify areas of breastfeeding medicine where evidence is lacking, and where more research is needed.

## **Accreditation**

**IBCLC:** IABLE, Long Term Provider #117-04, allocates 1.25 (L) CERP recognized by IBLCE for this Live Webinar.

**CME:** The AAFP has reviewed Clinical Cases in Breastfeeding and Lactation Medicine, and deemed it acceptable for 1.25 Prescribed credits by the American Academy of Family Physicians. Term of approval is from 08/14/2022 to 08/13/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CEU:** According to the American Nurses Credentialing Center (ANCC), the continuing education hours approved by the AAFP and AMA PRA Category 1 Credits™ meet the requirement of formally approved continuing education hours and may be used as such for ANCC Certification renewal. <https://www.nursingworld.org/certification/faqs/>

\* This training program is beneficial physicians and other providers, including midwives, physician assistants, nurse practitioners, pharmacists, and students of these professions.
