

IABLE

The Institute for the Advancement of Breastfeeding and Lactation Education

The background of the top half of the poster is a photograph of a woman with glasses and a dark top holding a young child in a teal shirt. They are positioned on the left side. The background behind them is a night-time view of a city with lights and a full moon in a dark purple sky.

4 Day Comprehensive Clinical Breastfeeding Medicine Course for Physicians and Other Providers*

Webinar

Thursday - Sunday
September 10-13th, 2020

The bottom half of the poster features a photograph of a desert landscape. The sky is a mix of orange, yellow, and purple, suggesting a sunset or sunrise. The ground is sandy and dotted with small plants. In the background, there are several large, rounded rock formations or mesas.

Due to COVID-19 this event has been
moved from the Desert to a Webinar

* Other providers include physician assistants, nurse practitioners, midwives, and dentists

Accreditation

Accreditation has been applied for through the American Academy of Family Physicians for CMEs, and through the International Board of Lactation Consultant Examiners for CERPs.

The goal of this conference is to provide breadth and depth of clinical knowledge for providers who are desire comprehensive breastfeeding education. Each session will focus on evaluation and management strategies in a small-group, case-based format so that participants leave with the knowledge and skills to manage a wide variety of breastfeeding problems that they will encounter in a typical primary care practice.

Instructors

All instructors are experienced breastfeeding medicine providers, with a variety of backgrounds in family medicine, pediatrics, pediatric intensive care, obstetrics/gynecology, neonatology and hospital medicine.
