Substance and Opioid Use During Lactation

The Institute for the Advancement of Breastfeeding and Lactation Education (IABLE) is excited to conduct its first educational series on substance use and opioid use during lactation. Our goal in this 3 part series is to address various socioeconomic, legal, and healthcare factors that impact lactation care and support for individuals throughout pregnancy, and for dyads during the intrapartum and postpartum periods.

The Institute for the Advancement of Breastfeeding and Lactation Education

Substance & Opioid Use During Lactation

Accreditation

CERPs: This course has been allocated **11(L) CERPs** recognized by IBLCE. Long Term Provider #117-04.

Nurse Contact Hours: All state boards for nursing licensure approve of educational offerings that are approved by the American Nursing Credentialing Center (ANCC). According to ANCC Certification, the continuing education hours approved by the AAFP and AMA PRA Category 1 Credits™ meet the requirement of formally approved continuing education hours and may be used as such for ANCC Certification renewal.

<https://www.nursingworld.org/certification/faqs/>

CMEs: The AAFP has reviewed Substance and Opioid Use During Lactation and deemed it acceptable for up to **11.00 Live AAFP Prescribed credits**. Term of Approval is from 02/03/2023 to 02/17/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA/AAFP Equivalency: AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s)™ toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.
