*Presented by*

**IABLE**  
Institute for the Advancement  
of Breastfeeding &  
Lactation Education

*With Instructor*

**Katrina Mitchell MD, IBCLC, FACS**

**Saturday, February 27, 2021**

**10:00am – 6:30pm CST**

**This conference will be conducted via webinar**

**Cost: \$100**

**\$90 earlybird available through January 29<sup>th</sup>**

**Reserve Your Seat to Attend Live or Access the Recording.  
Recording will be available for 1 month.**

**Registration: <https://lacted.org/shop/surgery202102>**

## **Participants Will Be Able to Meet the Following Objectives**

1. Describe approaches to effectively managing obstructive and inflammatory conditions in lactation, including plugging, mastitis, abscess, phlegmon, and galactocele.
2. Review appropriate interventions for complications that affect the lactating nipple areolar complex, including trauma, subacute mastitis, blebs, and vasospasm.
3. Discuss the unique management of benign masses in lactation, as well as the management of breast cancer and breastfeeding.
4. Explain how plastic surgery procedures on the breast can impact lactation.
5. Describe how a history of breast cancer or a new diagnosis while breastfeeding can impact lactation, and how surgical providers can support these patients.
6. Review basic principles of lactation applicable to breast care and surgical practice, as well as access reference tools and patient education material for clinical settings.

**Cancellation Policy: Full refund up to 2 weeks before course. 50% refund for less than 2 weeks before course.**

# Event Details

## Schedule

The training will be held from 10:00 am – 6:30 pm CST on Saturday, February 27, 2021. You will be able to log into the webinar beginning at 9:50 am. We plan to start promptly at 10:00 am.

## Webinar

The training will be conducted online. You will receive an invitation with a Zoom link and instructions about a week before the course.

## Instructor

Katrina B. Mitchell MD, IBCLC, FACS is a board-certified general surgeon, fellowship-trained breast surgical oncologist, and international board-certified lactation consultant (IBCLC) whose practice includes the care and surgery of women with breast cancer and benign breast disease. She also treats maternal complications of lactation, and has a special interest in pregnancy and postpartum breast cancer. She resides in Santa Barbara, California, and practices at the Ridley Tree Cancer Center at Sansum Clinic. She enjoys reading, traveling, and spending time with her son at the beach. More information about her clinical and educational interests is available at [katrinamitchell.org](http://katrinamitchell.org).

## Accreditation

CME: The AAFP has reviewed Breastfeeding Medicine for Surgeons and Primary Care Physicians and deemed it acceptable for up to 7.50 In-Person, Live (could include online) AAFP Prescribed credit. Term of Approval is from 02/27/2021 to 02/27/2021. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IBCLC: This course has been allocated 7.25 (L) Continuing Education Recognition Points (CERPs) by IBLCE. CERPs approval #CLT117-04.

Agenda follows on next page.
