Accreditation

The AAFP has reviewed the Comprehensive Clinical Breastfeeding Medicine Course for Physicians and Other Providers and deemed it acceptable for up to 27.25 In-Person, Live (could include online) AAFP Prescribed credit.

Term of Approval is from 06/01/2021 to 06/05/2021. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The goal of this conference is to provide breadth and depth of clinical knowledge for providers who desire comprehensive breastfeeding education. Each session will focus on evaluation and management strategies in a case-based format so that participants leave with the knowledge and skills to manage a wide variety of breastfeeding problems that they will encounter in a typical primary care practice.

Instructors

All instructors are experienced breastfeeding medicine providers, with a variety of backgrounds in breast surgery, family medicine, pediatrics, pediatric intensive care, obstetrics/gynecology, neonatology and hospital medicine.
