Eliza Myers MD, IBCLC; Stephanie Ryan RN IBCLC; and Liliana Simon MD, IBCLC, FABM**

*and supported by*

ACADEMY OF

**Breastfeeding  
Medicine™**

**Saturday, May 8, 2021**

**10:00 am – 4:45 pm CST**

**This Course will be Conducted Online**

Register at <https://lacted.org/nicu202105>

## **Participants Will Be Able to Meet the Following Learning Outcome:**

Lactating parents of premature and/or ill infants in the neonatal or pediatric intensive care unit need lactation support of several dimensions. Given the superior health outcomes for breastmilk-fed premature and ill infants, this course is designed to educate health care providers on how to encourage provision of breastmilk, support the establishment and maintenance of milk production, and troubleshoot lactation problems associated with pumping, being back to work and transitioning the infant to the breast.

## **Continuing Education Credits**

**IBCLC:** This course has been allocated a maximum of 5.5 (L) Continuing Education Recognition Points (CERPs) by IBLCE. CERPs approval #CLT117-04.

**CME:** The AAFP has reviewed The Basics of Breastfeeding Support for the NICU Dyad and deemed it acceptable for up to 5.50 Online Only, Live AAFP Prescribed credit. Term of Approval is from 05/08/2021 to 05/08/2021. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**RD CPEUs** are being applied for.

**Cancellation Policy: Full refund up to 2 weeks before course.  
50% refund for less than 2 weeks before course.**

\*This course is beneficial for RNs, APNs, dietitians, physicians, physician assistants, nurse practitioners, speech therapists, occupational therapists, physical therapists, health professional students and others who provide clinical lactation support.
